

ABOUT OUR STUDIO

Founded in 1998, Mindy's Jessamine School of Classical Dance prides itself in offering quality professional training and performing opportunities for any child who wants to dance. We have experienced teachers that provide a fun, loving and encouraging environment in the classroom. This positive atmosphere enables students to work to their potential.

We are a ballet-based studio that offers classes in all forms of dance. We offer classes in ballet, Pointe, jazz, hip-hop, and tap. We also have a special Kinder Dance program for dancers ages 2 - 4. For more advanced dancers, we have 6 Dance Teams that study ballet, Pointe (if appropriate), tap, jazz, lyrical and modern. These dancers also have the opportunity to take class from guest teachers that visit the studio for our "In House Dance Camp" each summer.

Mindy's Jessamine School of Classical Dance is proud to be one of the few studios that perform 2 shows a year. This gives our dancers the chance to excel in all the dance forms they are studying. We perform The Nutcracker, which is a full-length ballet, every December and we present a Spring Recital every May, which encompasses ballet, jazz, tap, and contemporary dance.
